## SHERIFF JOHN CLARK IS INJURED IN SMASH-UP

Sheriff John Clark, of the county, was seriously injured Friday evening in an automobile accident, which occurred opposite the Baldwin farm, three miles from here. He was returning to his home in the county when the machine skidded and ran off the pike going over a small embankment, striking a tree which probably saved his life. The auto was badly smashed and Mr. Clark was cut and bruised severely around the head and face. He was picked up by passersby who brought him to the hospital here where medical attention was given.

## MAN LEAPS FROM WINDOW

When Fire Blocks Stairs Bracken County Farm Hand Is Caught Asleep—Suffers Severe Bruises

The residence of G. T. Reynolds, near Chatham, Bracken county, was destroyed by fire Thursday night, the family escaping in their night clothes. One of the farm hands, who slept in the second story, had a thrilling experience. He was awakened by the intense heat and attempted to get out of the burning building and found the stairway surrounded by flames. He jumped from the window and suffered severe bruises. The fire is supposed to have originated from a night lamp exploding while the inmates were asleep. The building and its contents were an entire loss. There was little insurance and the loss is about \$1,500.

## MEETING

Of the Woman's Foreign Missionary Society of the Third Street M. E. Church Yesterday Addressed by Missionary Campaigners.

The Woman's Foreign Missionary Society of the Third Street M. E. Church was given a splendid treat yesterday afternoon when they had the pleasure of having a number of missionary campaigners to address them. These campaigners are a number of women, prominent in missionary work, touring the various churches of the Kentucky Conference. They had just been in a convention of the General Board of the Women's Foreign Missionary Society at Huntington, W. Va., and several of the most prominent of the workers stopped in this city for the day. Those present were: Mrs. R. L. Thomas, corresponding secretary of the Cincinnati branch of the Woman's Foreign Missionary Society; Mrs. L. L. Townley, recording secretary of the same organization; Mr. Henry H. Meyer, Superintendent of Literature; Mrs. L. H. Wilson, Kentucky Conference Secretary; Mrs. C. R. Talbott, Kentucky Conference Secretary; and Mrs. J. H. Jones, district corresponding secretary of the Covington district. All of these ladies were from Cincinnati and vicinity.

The meeting was a very inspiring one from the very start. A short session was held in the morning and a dinner was served to the ladies in the church at the noon hour. The afternoon session began at 1:30 o'clock and lasted until 3 o'clock. Several of the ladies gave addresses, those being:

Mrs. Thomas, Different Forms of Missionary Work.

Mrs. Townley, Jubilee Work.

Mrs. Meyer, Literature of the Society.

Mrs. Wilson, Getting New Members.

The addresses were splendid and gave no little information of interest to missionary workers. Several members of the local branch of the society also spoke.

A large number of ladies were present to hear the speakers and all enjoyed the session greatly. They will be welcomed back to Maysville as they made quite an impression among the local workers.

### GREAT GAME

The game tomorrow between the fast Augusta team and the Regulars, the champion Maysville team, promises to be an interesting exhibition. Maysville fans should come out to see the local boys repeat their former victories as this will probably be the last game of the season. The Augusta team will make a great showing as it is one of the strongest teams in this section of the state. They will be accompanied to this city by about 200 of the fans of that city. Augusta Band will also come out in full force.

### DIES OF APOPLEXY

Word was received here this morning of the death of Mr. Thomas Clayton of Lancaster, Ohio. While driving in a horse race on Thursday afternoon Mr. Clayton was stricken with apoplexy. He died Friday afternoon at 1:30 o'clock. Mr. Clayton was a former resident of Maysville and had many friends here. He is survived by one son, T. J. Clayton, with whom he made his home. The funeral will be held on next Monday afternoon from his late home.

## PETE FAULKNER

Tried Before Judge Rice Yesterday Afternoon on a Charge of Killing Albert Starks at South Ripley Monday Night.

Pete Faulkner was tried before Judge Rice yesterday on a charge of killing Albert Starks at South Ripley Monday night. Hon. M. J. Hennessey represented Faulkner in the trial. The details of the shooting have been brought out previously in the columns of this paper. A number of witnesses not present at the coroner's inquest gave testimony yesterday. These witnesses were at South Ripley at the time of the shooting but none were eye witnesses of the shooting excepting Rene Walker and Frank Hunter. The girl gave her testimony readily but the man was more reticent.

The counsel for the defense laid great stress on the fact that Starks had hit the defendant with a whiskey bottle and broke it. Faulkner had been struck in the eye some time before with a piece of steel making his eye very sore. When he was struck by the bottle some of the glass went in his other eye and Mr. Hennessey seemed to think that he was justified in shooting Starks. He stated that the offense could not be called involuntary murder, that is, deliberately planning to kill Starks.

The Commonwealth's Attorney stated that the case was one of premeditated murder as Faulkner had followed Starks to Ripley and in the evening had provoked the assault. Starks seemed very unwilling to fight but after a time he resented the insults and pitched into Faulkner.

At the close of the testimony and arguments of the lawyers, Judge Rice decided to hold Faulkner over to the Grand Jury and placed his bond at \$5,000. Being unable to give it, he was returned to the county jail.

### COUNTY COURT

In the Mason County Court yesterday the following business was transacted:

A paper bearing the date of March 31, 1916, and purporting to be the last will and testament of W. W. Lynch, deceased, was produced in court and ordered filed. Said paper was fully proven by the testimony of James Mackey and John L. Whitaker.

Ordered that J. B. Durrett be appointed as guardian of W. F. Foley. He qualified as such with Stanley F. Reed as surety.

On motion of Dorothy Taylor, Hattie L. Taylor was appointed as her guardian with Hattie J. Wood as surety.

Mr. James B. Wood returned to his home on Forest avenue yesterday after a short trip to Nashville, Tenn., to visit relatives.

## "The Home of QUALITY Clothes" News of Interest to Everyone

Nowadays we read a great deal in the papers about the high cost of woollens, the scarcity of dye-stuffs, and the rise in labor—which is all true, and must necessarily affect the price of clothes.

But we were one of the few houses in the Ohio Valley who were fortunate enough to have made the bulk of our fall purchase during the early part of 1916, which enables us to sell you goods at the same old price as you paid last year. Many houses are obliged to raise their prices, but we are not, and are going to give you the benefit of our early purchase.

All of our new Suits, Overcoats, Shoes, Hats and Furnishings are now in—all dependable merchandise, up to our high standard of quality—and the prices are no higher than last year.

COME IN AND LOOK AROUND.
